WORK EXPERIENCE

1

Apr 2018 – Now

UX/UI Designer at Siemens Polarion ALM, Prague (Czech Rep.)

Together with agile teams we are developing Application Lifecycle Management system. I do research with customers/users, design new features, maintain UX guidelines and supervise usability of developed solutions.

2

Nov 2015 – Nov 2017

UI Designer at Epro, Bristol (United Kingdom)

Was a member of an agile development team creating a web system (Electronic Patient Record) for NHS hospitals with more than 22K users. Managed, extended and improved UI style guide of the product.

3

Sep 2009 – May 2015

Visual Designer at Masaryk University, Brno (Czech Rep.)

Created high-quality digital resources, which help people from the university in teaching and studying. Produced 30 educational websites, about 100 pieces of 2D/3D visualisations, and cooperated with more than 50 tutors.

4

Jul 2007 – Aug 2009

Web Designer & Developer as a freelancer (Czech Rep.)

Launched about 20 websites for small business companies and non-profit organizations. Was responsible for the whole production process including clients interviews, conceptual design, visual design, and implementation.

What do people say about me?

“

Bretislav was a pleasure to work with at Epro, with an eye for detail and a broad vision for how design can act as an integral part of the software development life cycle. He brings with him a care for the end user experience, and the knowledge to put it into practice.

Douglas Livingstone

Senior Software Developer at Epro, Bristol (UK)

“

Bretislav is very detail-oriented, skill-full, experienced and reliable Web Designer and Developer. He has always been passionate, team-oriented provided highly professional insights with an outstanding sense to the UX and Design aspects of required front-end web-based solution. A top of that, Bretislav does not hesitate to take an extra mile to get deeply familiar with the topic he is working – I can only recommend Bretislav as a valuable asset to any team.

Ing. Michal Stancik

Senior SAP Project Manager at Novartis, Prague (CZ)
We together launched project and online store AuntieKnitter.cz

“

In the years from 2009 to 2015, Bretislav worked for us as a technician and he was responsible for the processing of multimedia educational tools for tutors of Masaryk University. Bretislav is an excellent team player, he was able to support colleagues in their ideas and he was able to tell them criticism appropriately and gently. He brought fresh design ideas and new technologies to the team.
